OUR MISSION

Saint Anthony of Padua Parish is a welcoming, loving Catholic community, centered in Christ and guided by the Holy Spirit.

Together we celebrate the liturgy in prayer and sacrament; we educate our children and adults in the faith; we support and reach out to those in need.

We believe the Holy Spirit is calling us to continue: to love one another as Jesus loves us, to share the word of God and to serve both within and beyond our Parish family.

18th Sunday in Ordinary Time

“Take care to guard against all greed, for through one may be rich, one’s life does not consist of possessions.” This isn’t a message that gets much advertising. On the contrary, just about every advertised message we hear comes from someone who wants to make money by selling us possessions. The message we hear loud and clear on television or Internet ads or on highway billboards or the back cover of magazines is that we need this product or that service in order to be happy. Professional marketers are in the business of creating a supposed need and then promising to fill it with their product. In today’s culture, it’s hard to remember that life isn’t about possessions.

But in this Gospel, Jesus reminds us that there is more to life than having “so many good things stored up for many years.” All of this stuff—be it clothes, devices, equipment, decorations, entertainment centers, or anything else—does no lasting good if and when “this night your life will be demanded of you.” Unlike the fool who spends all of his time, energy, and money building larger barns, we should focus our resources on becoming “rich in what matters to God.”

This means cultivating virtue instead of vice. It means sharing our money with those in need instead of hoarding it out of selfish greed. The call is a challenging one, and countercultural too. But Jesus never said that the Christian way was the way of the world. As St. Paul instructs us in today’s epistle, “Put to death, then, the parts of you that are earthly.” Instead of falling for the marketers’ messages, may we have the wisdom to store up our treasure in heaven.

Dear Parishioners,

As of this writing (Tuesday, July 27) we still have no news about Sister Eileen Christie. Our parish continues to join the Sisters of St. Joseph and St. Anthony’s High School in prayer for her safe return. Please pray!

The Long Island Catholic has reported: The Upper Austria police were focusing their search below the surface of Lake Hallstatt, a short walk from Sister Eileen’s hostel, Haus Jodler. A police spokeswoman said dogs picked up her scent near the lake, a fjord-like setting and popular site for swimming, boating and other recreational sports, including scuba diving. Upon inspecting Sister Eileen’s room earlier in the investigation, they determined that her bathing suit was missing, though her other possessions remained undisturbed. There was no indication that an intruder had entered the room or harmed the nun, police said. Divers with Austria’s special forces unit, EKO Cobra, began searching the lake July 19. Submersible robotic cameras were to be used for areas that divers cannot reach. Upper Austria police spokeswoman Simone Mayr-Kirchberger told CNS July 21. Asked if the police believe that Sister Eileen’s disappearance is the result of foul play, Mayr-Kirchberger responded, “At this point, no.”

Father Innocent Amasiorah, who has been associate pastor since June of 2014, will be going for further studies on August 1. For the past four years, Father Innocent has been on leave from his diocese in Nigeria to earn a doctorate at Fordham University. We are very grateful to Father Innocent for his service to our parish. We wish him well.

Father Innocent will say the Noon Mass on this Sunday, July 31.
There will be a farewell reception for him immediately after the Mass in the Lower Church.
Please join us.

Cardinal at World Youth Day Opening Mass:
Spread message of Divine Mercy

KRAKOW, Poland (CNS) -- St. John Paul II's former secretary urged young Catholics to share their faith, experiences and hopes and spread a "message of divine mercy" worldwide during World Youth Day.

"We come from every nation under heaven, like those who came in great numbers to Jerusalem on Pentecost Day, but there are incomparably more of us now than 2,000 years ago, because we are accompanied by centuries of preaching the Gospel," Krakow Cardinal Stanislaw Dziwisz said during the July 26 opening Mass.

"We bring experience of various cultures, traditions and languages. But what we also bring are testimonies of faith and holiness of our brothers and sisters, followers of the risen Lord, of past generations as well as the current generation," he said. The cardinal preached to an estimated 200,000 pilgrims from 187 countries in Krakow's Blonia Park, a day before the scheduled arrival of Pope Francis. He said a special clock had been fitted to the front of the city's cathedral, "counting the days, hours, minutes and seconds," since 2013, when the city was announced as the venue for World Youth Day this year.
Living Stewardship:
We are grateful this week for all stewards who receive God’s mercy in such a profound way that it moves them to share mercy with others, especially during this Jubilee year.

Good stewards follow the advice of St. Paul and conduct themselves - by wise use of their time and talents - in a way worthy of the Gospel of Christ.

“If you were raised with Christ, seek what is above, where Christ is seated at the right hand of God.”

My good deed for this week:

- I picked up toys at school without being asked.
- I washed the dishes.
- I helped my sister’s troop at Girl Scouts.
- I helped with my dog because she is sick.
- I cleaned my toys up and fed my dog.
- I helped my grandma clean up.
- I helped make dinner.

Mrs. Ferraro’s Level 8 class

Mrs. Ferraro’s level 8 students are working on their Young Stewards Day Project. The students are decorating birthday boxes and enclosing small items and all the paper goods to be used for a Birthday Party. These boxes are made available to the clients who use St. Vincent de Paul’s food pantry.

The birthday party in a box enables the parents to give their young children a nice birthday party without taking from the money to pay their bills. The level 8 students can use this project as part of their Works of Mercy Project for Confirmation. They must complete three Corporal Works of Mercy and three Spiritual Works of Mercy for one of their assignments before receiving Confirmation in the fall. All our level 8 students and their families ask for your prayers as their Confirmation approaches on November 9, 2016.

Spanish Mass

News of the Spanish speaking community at Saint Anthony of Padua.

Almost 2 years ago we had the first Spanish-language Mass at our church. Previously there was no opportunity to attend Roman Catholic Mass in the Spanish-language here in East Northport.

We have a very dedicated and talented music ministry, and of course we are grateful to Father Joe who was instrumental in getting this started.

This past Christmas was the introduction to the Latin American tradition of the Posada. Nine consecutive days before Christmas a group of musicians and singers go to a different host house and would knock on the door as Mary and Joseph looking for a place to stay. They bring a statue of Mary and Joseph with a donkey from house to house. After prayer and song everyone gathers for refreshments. Not all of the homes that were visited were Spanish-speaking! Several members of Catholic Daughters hosted one night, and visited with the group to other homes.

Every Friday evening at 7:00 PM some of our group meets at various homes in the parish to say the rosary in Spanish as well as sing music and have refreshments, and fellowship. Many of us speak two languages, and guests are always welcome.

We recently had Father Salvador visiting us from Mexico, and a special mass in Spanish to celebrate his 38th anniversary of the priesthood on July 15. Afterwards we did the rosary in one of our homes and again had refreshments and fellowship.

Mass in Spanish is offered every Sunday at 10:30 AM in the lower church.

We have celebrated baptisms at the 10:30 AM Mass.

It is a wonderful experience to see such faithful young people meeting every week to worship. Please come downstairs and see what we are all about some Sunday morning at 10:30. You do not need to speak Spanish to feel the love. A suggestion for our English-speaking friends: take an English language book from upstairs and you can follow along and get a good idea of what we are doing. Many of us speak fluent English as well as Spanish and you will be welcomed warmly.

The main principle of the Knights of Columbus is “CHARITY”! Charity comes in many forms. One way we practice charity at Father Thomas A. Judge Council is by hosting an annual blood drive each summer. Blood reserves drop dangerously low during the summer months as many people are away on vacation. The Father Judge Council has been hosting a summer blood drive for 40 years, since our council’s inception.

In the early years when our council was housed at Saint Anthony of Padua parish we held our blood drive in the church basement. In 1994 after we moved to our new council home in Hewitt Square, we moved our blood drive to our council hall. We have been hosting our drive there the second Wednesday of July ever since.

Our council hall offers comfortable seating, air conditioning, big screen television for entertainment and an overall friendly and relaxed environment for our donors. Our blood drive is held from the afternoon hours through the dinner hour and into the early evening. For this reason we offer everyone who comes a light meal usually in the form of a hero sandwich and cold salads. We also offer cold beverages to our guests. And don’t forget all the “goodies” offered by Long Island Blood Services after a successful donation.

In the late 1980s through the mid-1990s our drive collected over 120 pints of blood each year. Over the next 10 years there was steady decline in yearly collections, dropping all the way down to 32 pints in 2006. Since then we have seen a nice increase year over year all the way up to 62 pints in 2015.

This year we suffered a little bit of a setback, collecting only 41 pints. We are very thankful to our members and parishioners who take the time to donate blood at our drive or any other blood drive. This is true charity, given from the heart, to unknown recipients, for the general good of the human race. The officers and members of Father Thomas A Judge Council of the Knights of Columbus thank you and salute you!

At this time the New York Blood Center has declared a blood emergency and is asking the public to donate blood at a nearby drive, a New York Blood Center location or a mobile donation unit to help replenish the community’s blood supply. To locate a drive or schedule a donation time please call: 1 (800) 933-2566 or visit online: www.nybloodcenter.org/blood
